

Dear Colleagues,

The International Council for Coaching Excellence (ICCE) and its continental group European Coaching Council would like to invite you and your organisation to the **1st European Meeting of Coaches Associations and Coaching Organisations**. After the successful completion of our European project CoachNet and the "Voice of the Coach" conference in Leeds in March 2013 we wish to continue with shaping up the representation of coaches on European level.

We kindly invite you to think about the great challenges that coaches and their representative organisations are currently facing, both in the field of education and working conditions. Thus, it becomes necessary a large participation in the analysis and discussion on those problems. This way, we hope to be able to count on your presence. The aim of the meeting is also to discuss issues related to the coaching professions and debate on future representation at the European level and Social Dialogue.

The meeting will be organised in Cologne, Germany in cooperation with Trainerakademie on Tuesday 15th April 2014. The tentative schedule is:

April 14: 19:00 - Welcome get together for the meeting participants;
April 15: 9:00-15:00 - 1st European meeting

Soon we will send you a draft agenda for the meeting.

ICCE will cover local expenses of the meeting for 1 person from participating ICCE member organisations and for 1 person per country and per organisation from any additional countries as follows: 1 night accommodation in the Guesthouse of the Trainerakademie (on the 14th April) and meals (dinner, breakfast, coffees and light lunch).

Please confirm your preliminary interest at your earliest convenience by sending email to the ICCE Secretary General Ladislav Petrovic at l.petrovic@icce.ws.

Best regards,

Jose Curado
